ORDER

1. The issue raised in this application is the construction of Colony called Vijasan Dhaam situated in the city of Sehore without any permission from the competent authority and it is alleged that the entire debris/waste water is being drained directly into river Seevan, which is situated adjacent to the colony in question towards southern side.
2. The current master plan of 2031 for the city of Sehore mandates minimum of 30 meters of forest/park/recreation/plantation from the boundary of main river Seevan (Khasra No. 484) and a minimum 15 meters plantation from the tributaries of river Seevan (Khasra Nos. 474 and 482). Wherein the colony in question is being constructed within the 30 meter buffer zone.
3. Neither any channelization of sewage nor any STP has been constructed by either the municipal council sehore or the project proponents due to which there is direct discharge of waste water into the river.
4. We deem it just and proper to constitute a Joint Committee consisting of District Collector, Sehore, Madhya Padesh and Representative of Madhya Pradesh Pollution Control Board and representative of Chief Municipal

Officer, Nagar Pallika Parisar, Sehore and direct them to submit a factual and action taken report within 4 weeks. The report may be submitted in the matter by e-mail at judicial-ngt@gov.in preferably in the form of searchable PDF/ OCR Support PDF and not in the form of Image PDF.

5. The applicant is directed to submit requisite document to the members of the committee within a week.
6. List it on 05th July, 2021.
