M/s BMW SolutionsRespondents

SYNOPSIS

That the Respondent No. 1 is a common Biomedical Waste Treatment Facility (CBWTF) established at village Rathatal Tehsil Berasia District Bhopal. The Respondent No. 1 has been flouting the rules and regulations and has been creating serious threat to the lives of the inhabitants of the adjoining villages of Pardi, Bandikalan, Chandbad Kadir, Jaitpura, Mudiya Khedi, Raipur Gram, Bairkhedi Kalan, Jagauni Jaura, Sukliya. The Respondent No. 1 unit was inspected by a team of officers of the Respondent No. 2 office on 08.09.2020 and series of serious violations were found in the Respondent No. 1's CBWTF facility. The RTM data capture rate was found to be 4.69% wherein it should be more than 85% clearly indicating that the Respondent No. 1 unit is simply not destroying the biomedical waste at the required temperature and is not maintaining the two second retention time in secondary chamber. The Respondent No. 1 has been continuously violating the rules and regulations and is polluting the entire locality. This

Original Application is being filed seeking an order directing to restrain the Respondent No. 1 CBWTF Respondent No. 2 to ensure that the Respondent No. 1 CBWTF unit is closed completely and no activity such as collecting biomedical waste from the healthcare facilities etc. is allowed to the Respondent No. 1 as it has been operating in violation of the permission conditions, rules and regulations as described above.
